**Old/New business**

- Fundraiser update: Planning is going well for the fundraiser. We have sold 80 tickets to date. We are needing more parents to help volunteer. We will send a sign-up sheet home to be filled in and returned asap.
- Ricochet ground covering: The rubber covering will possibly be too rough in texture. The artificial grass will probably still be the best option. We will decide after the fundraiser how much we will contribute towards this.
- Shake Out BC: All emergency bins are updated.
- Young women supplies: We can put a supply hamper together. Robin will purchase items this week. Rachelle will talk to the girls grade 5 and up about what is available and who they can speak to if they need help.
- Parent involvement: We will post the minutes on our Facebook page. Rachelle will see how to add minutes to the website. We can also send email reminders and letters home in planners

Closing: Robin closed in prayer at 6:50pm
