## OCTOBER 2023

# Well Done!

**Good News Call of the Day**  
We acknowledge our students for positive behaviour with a “Good News Call from the principal to you the parents. Congratulations to: Heidi, Lilianna, Veer and Annika!!

**HOLY MACKERELS** are special certificates which are presented to students who “have been caught doing good.” A copy of their certificate is then entered into our special fishing net. Six names are pulled each week at the assembly and then those students are invited to pick a prize from the prize basket. It’s great fun and another way to celebrate our student’s kindness. The following students awarded Holy Mackerels this month are: Ethan M., Priti, Ikjot, Karston x2, Colt, Finley, Eva x2, Malachi, Olivia D., Celeste, Johnnie, Benjamin A., Rajen, Grady, Matthew M., and Payton. Well Done!!

National Day  
for Truth and  
Reconciliation

## Division 5 and 6 Embark on a Journey of Truth and Reconciliation

It was a warm, bright fall day when Division 5 and 6 disembarked from the school on a walk to the Tseshaht Longhouse in preparation for National Day of Truth and Reconciliation.

The journey was marked by an awareness of our commitment to listen with respect in order to learn about the truth of residential schools in Canada and their profound impact on Indigenous peoples. At the Longhouse, we were warmly welcomed by local elder Nan Anne, who generously shared her personal experiences with the Alberni Indian Residential School. She also provided valuable insights into the history and enduring legacy of these institutions on the local First Nations peoples.

It was an impactful day of learning for our students, who engaged with respect and empathy. As we remember our commitment to reconciliation in Canada, this field trip served as a powerful reminder of the importance of understanding and unity in our shared journey toward healing.
